What's good about TAFE NSW Online?

SUPERIOR ONLINE COURSES WITH A UNIQUE TEACHER SUPPORT PROGRAM

We deliver online tertiary courses, and support your learning with a strong teacher presence, live sessions and engaging collaborative activities.

We achieve consistently high quality through well supported design and development processes and innovative use of technology.

Drawing on TAFE NSW's 120 year industry training experience, our courses:

- are easy to use on a desktop or mobile device
- are facilitated by our highly qualified and industry expert teachers
- help you learn new and develop existing skills
- are structured around real, work-based practices
- provide extended hours study skills support

What next?

We want to make your decision to start the journey as easy as possible. A TAFE NSW Online course advisor will be in contact soon to assist you in finding the best course to support you in achieving your career goals.

Kind Regards,

TAFE NSW Online Team
